## The President's Message

Dear S A S Members,

Happy V. D.! (Valentine's Day!) Thank you to all who attended our Burns Dinner. We had 160 who attended and we almost broke even on the event. But that does not include over \$600 in raffle tickets sold for the baskets, plus Jeanne Cordovez sold more cookbooks.

Our Feb 19th meeting should be a good one. We are inviting the Palm Beach Pipe and Drum members for an "ice cream social" in hopes some might join our Society, thanks to Jeanne Cordovez's idea. Also, there will be a heart game played- come and see.

Planning ahead we will have a Kirkin at the Palm Beach Gardens Presbyterian Church on March 21st. We also have nominations for next year's officers at our March 19th meeting.

April 6th is Tartan Day around the world and the Burketts have invited all of us to their home on April 11th for a pot luck lunch. More info to follow. Unfortunately, Lynn and I will be in Bermuda (for our anniversary) so we will miss this month's meeting, but you will be in great hands as Scott Ladd will officiate. Enjoy the ice cream...

Larry

Gloria & Jim are going on a trip to Africa and would like to take school supplies to the children's orphanage in Tanzania. Donations of pens, pencils, crayons, or markers will be accepted. Bring to meetings Feb – May.
